

The Voice of StillWaters

A Message from the General Manager - Kevin Eason

The StillWaters Residential Association annual meeting will be held on Saturday, March 7th, in the SWRA community room located at 1816 StillWaters Drive, Dadeville, starting at 10am. All property owners are invited to attend. Come hear what SWRA accomplished in 2019 and the plans for 2020.

This year, to help answer as many questions as possible at the annual meeting, a pre-meeting question form can be submitted before the annual meeting. A blank form is located in this newsletter or one can be obtained at the SWRA office. Please bring the completed form by the SWRA office, email to kevin@stillwatersra.com, or fax to 256-825-2991. Deadline to submit the pre-meeting question is noon, Friday, March 6th.

Please remember the annual meeting is a great opportunity to learn about your home owners association. Property owners will have the opportunity to ask questions to the SWRA Board of Directors and the General Manager at the end of the meeting. Property owners who do not follow the meeting rules will be asked to leave. As always, my door is open anytime a property owner has a question about StillWaters, you don't have to wait until the annual meeting to ask me a question or voice any concerns.

Spring is when more people start projects to improve or repair their houses to get ready for the lake season. Please remember to submit a permit request to the Architectural Review Committee before starting any new project at your property. An ARC permit is required before any work to the exterior can be started; this includes any dock or seawall work. The ARC meets the first and third Wednesday of each month. ARC permit request forms can be obtained from the SWRA office or from our web site www.stillwatersra.com. No cost repair permits can usually be completed over the phone. Please contact Kevin Eason at 256-825-2990 if you have any questions concerning an ARC permit request.

Recently our area has experienced more than normal rainfall for this time of year. Several owners have reported erosion on their property caused by rainwater runoff. Property owners are responsible for rainwater runoff on their property. SWRA is not responsible for property erosion caused by excessive rainwater runoff. The SWRA office will be happy to suggest an engineering firm for property owners who need advice on what they can do to control erosion on their property.

Several property owners have asked about road paving and patch work for 2020. At this time, SWRA is planning to work on roads in several areas of StillWaters. There were funds in the 2019 budget that were not used for scheduled road work for one reason or another. Those funds were moved into the 2020 roads budget and should be spent in 2020. The StillWaters road work is scheduled to start mid-April. Due to the unknown issues that can arise during road repairs the exact areas that are scheduled to be repaired or improved may change based on available funds.

A copy of the 2020 SWRA annual budget is in this newsletter. Please take time to read the budget and contact the SWRA office if you have any questions.

Now is the time to purchase a new boat or get your existing boat in shape for the lake season. Odds are the water level of Lake Martin will not be lowered so boaters can enjoy the lake now. Contact Harbor Pointe Marina for all your boating needs. They still have some 2019 model boats at a great savings. Enjoy Lake Martin to the fullest.

StillWaters Residential Association 2020 Annual Meeting

StillWaters Residential Association will hold its 2020 annual meeting on Saturday, March 7, 2020, in the SWRA Community Room located at 1816 StillWaters Drive, Dadeville, AL 36853, beginning at 10am. All property owners are encouraged to attend this informative meeting. Minutes of the meeting will be available at our website www.stillwatersra.com after April 30th.

When Burning Debris Contact SWRA

All property owners in StillWaters must contact the SWRA office at 256-825-2990 before burning yard debris. When contacting the office after normal working hours, please leave a message with your name, phone number, and address where the debris will be burned. StillWaters property owners will no longer contact Stillwaters Volunteer Fire and Rescue to report debris burning.

2020 StillWaters Window Decals

All property owners and residents of StillWaters should have their 2020 window decal placed in the driver's side front windshield of their vehicle no later than March 10, 2020. Gate attendants will stop all vehicles after March 10th that are not displaying the 2020 StillWaters window decal. Save time at the entrance gate by making sure you are displaying a 2020 window decal. Additional window decals are available at no extra cost from the SWRA office.

Boat Storage Spaces Available for Rent

There are a few boat/trailer storage spaces available for rent at the SWRA storage lot located on Stagecoach Road. The storage area is fenced, gated, and well lighted. Property owners under the '87 covenants only pay \$250 per year to store their boat/trailer at the storage facility. Contact the SWRA office for rental information.

Why Are There Only Three Names on The SWRA 2020 Board Election Ballot?

Some property owners have asked the question "Why are there only three names on the ballot for the three SWRA open board seats and why have an election if the number of candidates is the same as the open board seats". The simple answer is the SWRA documents outline the candidate nominating procedure and the documents require the association to hold an election.

An article appeared in the October 2019 newsletter explaining who and how a property owner could run for the SWRA Board of Directors. There were reminder articles about running for the SWRA Board in the November and December 2019 newsletters. These articles requested that anyone interested in running for the board of directors to contact the nominating committee or to contact the SWRA office to run by petition.

The nominating committee is responsible for determining what property owners are best qualified to run for an open board seat. Anyone that was interested in becoming a board member was asked to contact the nominating committee.

Property owners also have the option of running for an open board seat by petition. This is easily accomplished by obtaining 20 qualifying signatures of existing property owners.

The SWRA documents require the association to hold an election each year for the open board seats. A ballot must be mailed to all qualifying property owners which is costly but required. Each property has one vote for each position. It is the property owner's responsibility to return the complete ballot by a specific date so the Election Committee can count the votes. The results of the election are announced at the annual meeting.

Property owners who use a golf cart or similar type vehicle in StillWaters must follow the requirements of the golf cart policy. Please contact the SWRA office if you have any questions.

StillWaters Golf Cart Policy

Policy Statement – Motorized Utility Vehicles

The StillWaters Residential Association (SWRA) Board of Directors recognizes the value and pleasure of utility vehicles in the StillWaters Community. The SWRA Board further recognizes the need for responsible use of such vehicles. The SWRA Board is especially concerned for the safety and well-being of all StillWaters residents and visitors.

Golf carts and other motorized vehicles can be quite dangerous, especially when used on roads. The SWRA Board recognizes the inherent hazards of motorized vehicle use in StillWaters and desires to head off accidents with the promotion of common sense operation and public awareness.

Golf Cart Policy

All motorized vehicles (golf carts, ATVs, etc.) on StillWaters' roads and common areas must be operated by licensed and insured drivers as required under Alabama law.
SWRA Board of Directors Resolution (November 27, 2007)

All motorized vehicles (golf carts, ATVs, etc.) on StillWaters' roads and common areas must have head lights, brake lights, and rearview mirrors.

All motorized vehicles (golf carts, ATVs, etc.) on StillWaters' roads and common areas must have a registration decal attached.

SWRA Board of Directors Resolution (June 28, 2016)

Policy Enforcement

The SWRA Board wishes this policy to be a self-enforcement policy, as much as possible, by the owners and visitors of StillWaters. The Board asks that owners make a sincere effort to act responsibly in the use of motorized vehicles and adhere to this policy.

In an effort for the Board to act responsibly, violators will be reminded of the policy and asked to adhere to the policy immediately. Based on the registration, a notice will be filed with the SWRA for review.

Violations of Policy:

1. Under-aged or non-licensed driver of the vehicle (unaccompanied by a licensed driver)
2. Reckless or destructive behavior
3. Lack of required equipment (head lights, brake lights, or rear view mirror)
4. Lack of proper SWRA registration decal

Violation of Policy Protocol:

- First Violation: A notice will be placed in the property owner's file for future reference and a written "Advisory Notice" will be delivered to the registered owner.
- Second Violation: A letter from the SWRA Board will advise the property owner of its multiple violations of policy and ask the owner to strictly adhere to the policy or expect to be assessed a fine of \$100.00 for each additional incident.
- Third Violation: A letter from the SWRA Board will advise the property owner of its multiple violations of policy and assess the owner a \$100.00 fine.
- Further Violations: The SWRA Board will assess additional \$100.00 fines in cumulative.

Note: Unpaid fines may become a lien against the registered owner's property.

2020 Annual Meeting Question

Name *(optional)*

StillWaters Property Address

Question:

Please complete this form and return it to the SWRA office no later than noon Friday, March 6th, if you have a question you would like answered at the annual SWRA meeting. Email to kevin@stillwatersra.com, fax to 256-825-2991, or bring it in person to the office. Owners

Tee It up for the Girl's Ranch

The Stillwaters Golf Club will be hosting the inaugural *Lake Martin Realty Charity Golf* event on Friday May 8, 2020. While the event will be a fun best-ball round of golf, the purpose will be to benefit the Alabama Sherriff's Girls Ranch in Camp Hill Alabama.

The Lake Martin Realty team invites all golfers **to save the date for Friday May 8th and be ready to tee off at 11 AM.** We also invite community businesses to join Lake Martin Realty, River Bank and Trust, and Lake Side Marina as sponsors for the event.

There will be opportunities for up to 24 four-person "sponsored" teams. For those that don't play golf, but want to help the Girl's Ranch, you can still sponsor a team, a hole, donate prizes, etc. The participation of the entire Stillwaters community is welcome so please consider how you can help the girls!

If you want to know more about the Lake Martin Realty Charity Golf Event, please contact one of the Lake Martin Realtors[®] at 256-825-9092 today.

Stillwaters Golf – March Newsletter

Winter has been wet but is leaving us soon. Get ready to “spring forward” in early March and make your plans to come play some golf with us.

MEMBER TOURNAMENTS

The 2020 Member Tournament schedule is about to begin. The first event of the season will take place on **March 4th** with the **Kick Off Scramble**. We have added an interesting twist to the event which will re-introduce the beauty of the Tradition course to the membership. We finish March off with a fun/challenging event known as **The Poison Pin** on March 25th. Call or come by the golf shop to sign up for the fun. Gabby and Danny will be taking members to the Monday Pro-am events throughout the state. First one up is Montgomery CC on March 30th.

OUTSIDE EVENTS

No pre-booked events

GOLF SHOP ITEMS

Come by and visit the staff while you look around. We have a few of the Cortex drivers from Wilson Staff (**Reduced pricing by \$100**). This driver won season two of Driver vs Driver and looks great! Come by and let Gabby customize the demo for you to try. The new Cutter & Buck logo golf shirts have arrived so come by and pick your style/size. We have ball repair tools and hat clip ball markers in the shop. The Cutter & Buck fall apparel is now in stock. Bring those gift cards and other cards with you to shop. If you want to get or give lessons as a gift, Gabby and Danny are ready to help you purchase your lesson gift certificates.

GOLF COURSE NEWS

The staff has worked hard in restoring the condition of our course. They continue their progress by taking out some trees that are either dead or not beneficial to operations. The restored creeks expose the beauty of our golf design and their daily efforts will enhance our golf course experiences throughout the year. Thanks for the effort Keith!

SPECIAL NEWS

Dadeville High School has developed their first ever golf team program. We will be their home course for play and for practice. If you see them around the club, be sure to wish them luck to inspire them to success. Coach Bearden and Assistant Coach Baker will be leading the team. (Boys team: Luke Hanks, Jackson Rice, Ruskin Gold, Cameron Shockley, Spencer Meadors) (Girls team: Lilly Johnston) Proud to be their pro.
