

### **Kathryn Dickey (Kay)**

Kay and her husband, Michael, have been SW property owners since 2010 and permanent residents since 2015. Community involvement has always been important to Kay. She served on the HOA Board while enjoying their condo in SW. She served on several other boards prior to their move to SW.

Previous board membership and Kay's three careers provide a variety of skills that are assets to the SW Board. Over a span of forty years Kay was a teacher, attorney, and Department Head for Legal Studies at South University in Montgomery.

Kay takes very seriously her role on the SW Board of Directors. There are many responsibilities required of all board members. Kay's primary focuses include fiduciary duties, safety, beautification of SW, and member involvement.
