**Subject: Thank You for Your Interest in Serving on the Board**

Dear [Candidate's Name],

On behalf of the StillWaters Nominating Committee, I want to sincerely thank you for your willingness to serve on our community's Board. We deeply appreciate the time, thought, and effort you put into your candidacy and the interview process.

After careful consideration of the community's current needs and the specific qualifications required, the committee has selected two candidates who best fit these needs for the upcoming term. This was not an easy decision, as we were fortunate to have a group of highly qualified and dedicated individuals, including yourself.

While you were not selected this time, we value your continued engagement and encourage you to stay involved in our community's activities. Your insights and participation remain crucial to maintaining the vibrant and supportive environment that makes StillWaters so special.

Thank you once again for your commitment to our community. We hope to see your name in future opportunities to serve.

Warm regards,  
[Name], Co-chairperson
